

TEAMS FOR VIDEO VISIT

Great news! You've got your appointment scheduled for Video Visit! Now what?!

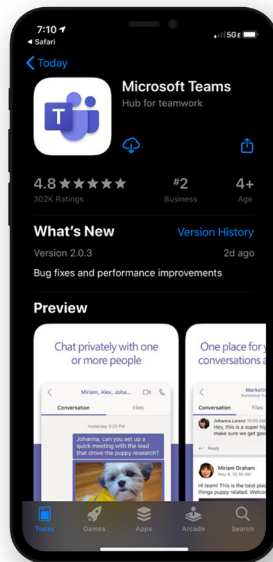

SMART PHONE INSTRUCTIONS FOR PATIENTS

You will receive an email with your appointment information from your therapist.

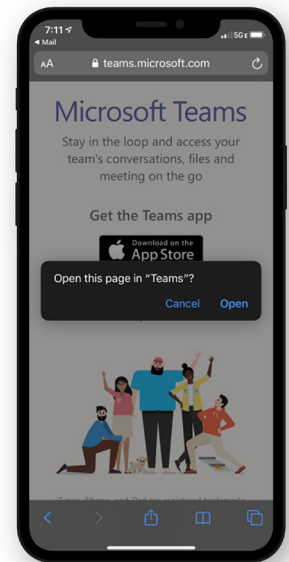

When the time comes for your appointment, open the email from your therapist, and click the **["Join Microsoft Teams Meeting"](#)** link. **This should be purple.**

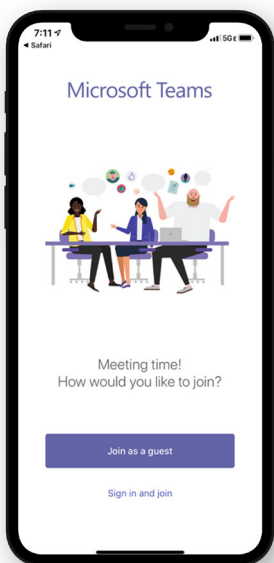

You will be prompted to download the Teams app on your device. Click "Download in the App Store."

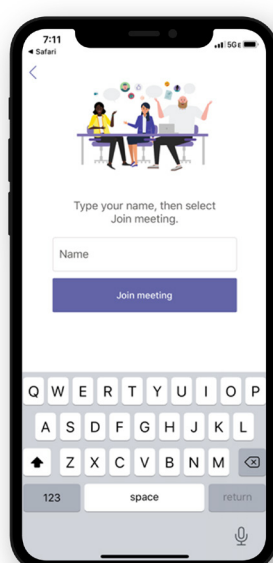

Once in the app store, download the Microsoft Teams app. (Go back to Telehealth appointment email and click on the link **["Join Microsoft Teams Meeting"](#)**).

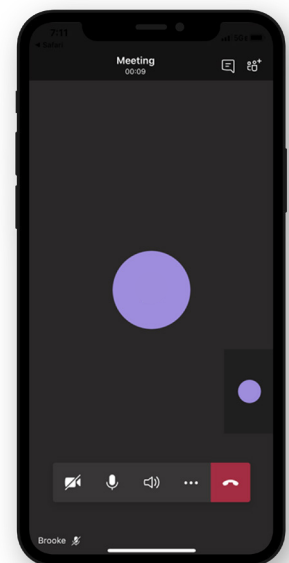

Click to allow your device to open the link in the Teams app.

Click "Join as a guest."

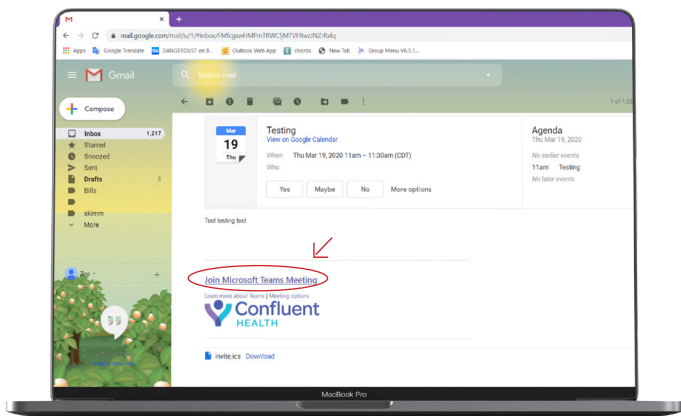

Enter your name and select "Join Meeting."

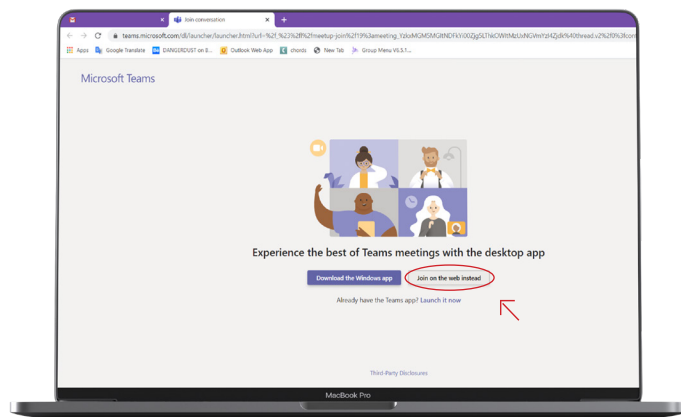

Enjoy your appointment!

COMPUTER INSTRUCTIONS FOR PATIENTS

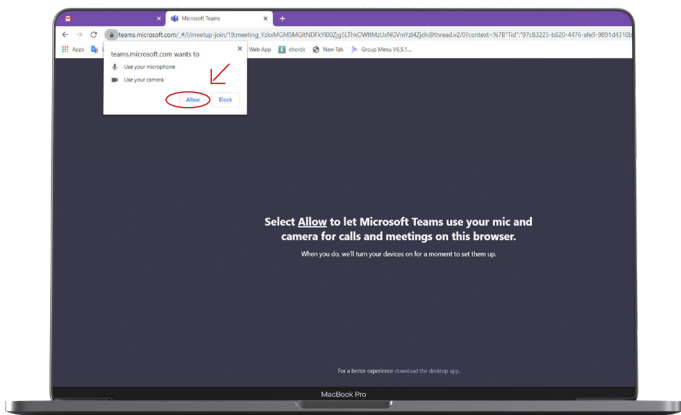

You will receive an email with your appointment information from your therapist.

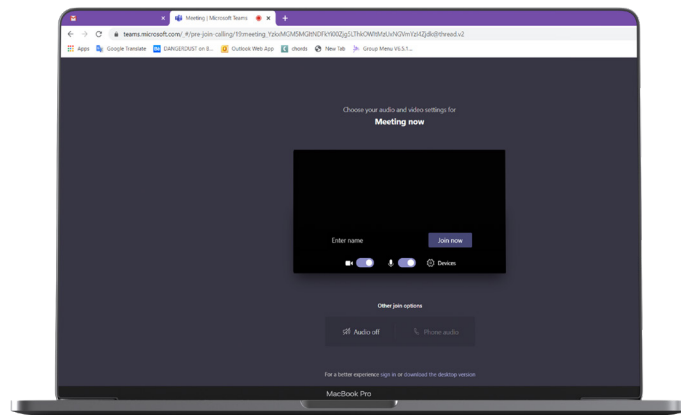

When the time comes for your appointment, open the email from your therapist, and click the **“Join Microsoft Teams Meeting”** link. **This should be purple.**

You will be taken to a new page on your browser. Click the **“Join on the web instead”** button.

Select **“allow”** in the pop up box to allow Teams to use your web camera and microphone.

Enter your name and and select **“Join now”**.

Once you are in the meeting, make sure to click the camera so that your video is on and click the microphone so that your audio is on.

Enjoy your appointment!
